

December 2020

Dear Parent/Carer

Year 1 Enriching experiences for the academic year 2020-21

We have organised a fantastic workshop for the children in year 1 for the spring term 2021. The aim of this workshop is to help broaden your child's knowledge & understanding of their topic.

Dinosaur workshop

8th January 2021

The children will be taking part in an interactive workshop in school 'Life Long Ago' which brings prehistoric life into school. The children will locate and identify fossils from some of the most iconic dinosaurs of the past. The children will learn when each dinosaur lived, where they came from and what they ate, and much much more!

The company delivering the workshop have completed a COVID risk assessment and social distancing will be adhered to. If you have any concerns please speak to a member of the year 1 team.

We are asking for a contribution of £5 per child for this workshop. The school is subsidising the cost of this. Payment can be made on-line www.parentpay.com. If the school is in receipt of the Pupil Premium Grant for your child this academic year you may qualify for financial assistance. If you are not sure whether you qualify please speak to a member of the office team.

Yours sincerely

Year 1 Team
