

December 2020

Dear Parents and Carers,

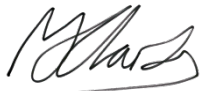

As a school, we have been working on making purposeful adjustments to the current Exclusion Policy. The proposed changes are intending to:

1. Support greater parental involvement and strengthen the partnership between home and school.
2. Support the Quality First Teaching in the classroom.
3. Ensure there is direct link between the school's Positive Behaviour Policy and Exclusion Policy.
4. Consistently give pupils, who need it, the 'right support at the right time' throughout their time at school.

We aim to implement the policy from January 2021. However, before it takes effect, we would truly welcome any questions or further considerations. With this in mind, if you do have any thoughts, or would like to speak with a senior leader regarding the proposed changes, please do contact the office by **Friday 11th December**.

We are excited to continue improving the overarching experience the children receive at The Robert Fitzroy Academy. .

Yours faithfully,

Mr Clark
