15.3.21

Dear Parents and Carers,

It was brilliant to welcome our whole community back last week.

Seeing classroom's fizzing with purposeful learning, children spending time with their friends and successfully getting back into routines of school life was a joy to witness.

We are also grateful to you all for your continued cooperation with our school's COVID safety measures at the beginning and end of the day.

We have been pleased to see an increased number of family members wearing a face covering. It has also been noticeable how parents are making a real effort to keep their children close and remain socially distanced from others.

The only area, where we request further support, is for families to come at the allocated time for *each specific year group*. By supporting us in this area, it significantly helps us to minimise the risk of children mixing bubbles unnecessarily and, likewise, reduces the number of adults on the school site at one time.

We look forward to another successful week. Thank you in advance for your support.

Yours faithfully,

Mr. Clark

Headteacher
