

Parents evening WC 22.3.21 Postponed

Dear Parents and carers,

It has been really lovely to see all of our children back in school over the last two weeks. There has been a lovely buzz around the school with lots children keen to chatter to their friends, catch up again and focus on their learning as a class. It is clear that the overwhelming feeling is that the children have been delighted to be back and to see their teachers and friends.

The most important thing over the next few weeks is to allow the children time to reconnect and redevelop routines that are essential in school. It is important that they can socialise with their friends in school and that our younger pupils continue to develop their communication and language skills. As well as focusing on routines and relationships, the teachers at RFA are working to re-establish pupils learning behaviours and ensure that pupils are receiving quality first teaching in light of the disrupted academic year caused by the Pandemic.

With these elements in mind, we have made the decision to **postpone the parent teacher consultation that was due to take place remotely next week**. You will receive information about an alternative time when you will be able to talk about your child's academic progress after the Easter break. As always, The Robert Fitzroy Academy operates with an open door policy, so if you would like to speak to your child's class teacher in the meantime, please speak to them directly or contact the school office.

Thank you for your ongoing support,

Hayley French

Deputy Head teacher
