SUMMER TERM 2021 – ENRICHMENT CLUB TIMETABLE

We have some fantastic new clubs for the summer term:

Ooey Goey Concoction club

The children will be making: slime, playdough, cloud dough

Computer Club

Learn what's possible with Google workspace:

- * Docs - Creating, saving, retrieving and formatting documents.
- * Sheets- master the essential skills you need to save time. Learn basic functions and formulas, sorting, filtering and creating charts.
- * Slides - learn how to create presentations.

Clever Cooks

Children will be learning about food hygiene and following some simple and nutritious recipes.

Sign Language

Sign Language is a visual means of communicating using gestures, facial expression, and body language. Using signs can help children who have no speech (either because they have communication difficulties or are very young) or whose speech is unclear. We will be learning basic sign language.

Reading Rockets/Storytelling Club

Children will enhance their reading skills by having a dedicated time to sit and read quietly and read with support if required.

Construction Club

Construction club is a time to be imaginative and free! Children will have the chance to work as part of a team or independently constructing models.

The 8 benefits of Construction Play; Fine Motor Skills, Gross Motor Skills, Problem-solving, Imagination, Focus and Patience, Cooperative **play**, Maths, Physical Development.

Clay space for Reception

Release their inner potter for a creative session working with real clay! Clay gives children the opportunity to be creative and learn about texture, shape and form whilst having lots of fun.

SUMMER TERM 2021 – ENRICHMENT CLUB TIMETABLE

Benefits of playing with clay; Manipulating clay helps to develop their hand and eye co-ordination, helps to develop the small muscles in their fingers and hands, known as fine motor skills, helps to develop their imagination, perseverance, problem solving, teamwork, social interaction and self- regulation.

Crafting

Activities will include: finger puppets, reading wands, monster rocks, bird feeders, paper icicles, pom-pom bunnies and dream catchers. Children will learn to work independently and as part of a team.

Dance till you drop

Most children love to express themselves through music and dance. This club will provide your child with an opportunity for creative body expression, with a fun twist.

Little Creators

Children will be experimenting & exploring a range of creative projects; pattern making, sticking, cutting, explore imagination and art skills

Terrarium Club

A unique way of indoor gardening. Indoor gardening with terrariums is a fun and attractive way to incorporate plants into any home décor. To see some images of Terrariums please visit: <https://www.google.com/search?q=fairy+garden+terrarium&tbm>
