Dear Parents/Carers,

**Wraparound Service & Revised Fees 8<sup>th</sup> March – 23<sup>rd</sup> July 2021**

Following The Government announcement yesterday, and the very welcome news that schools are to fully resume on Monday, 8<sup>th</sup> March, we are delighted to confirm that the Wraparound Service will fully resume and run normally from this date.

As communicated in my email last week, Wraparound pro-rata fees are calculated on your child's weekly sessions being taken for the full academic year with equal payments spread over eleven months.

Since school closure in December, the Wraparound provision has been closed and subsequently, no fees charged or pro-rata payments requested. This means that the existing pro-rata fees schedule will no longer work due to missed payments and the variance of sessions charged. Therefore, new wraparound fees have been calculated and are attached; they will also be uploaded shortly to the school website for your convenience.

If you currently have a credit balance on your Breakfast Club or After School Club account, you will be able to deduct this amount from your first payment which is due by the 1<sup>st</sup> March. Thereafter, your next payment will be due by the 31<sup>st</sup> March for April sessions and so forth.

If you have any further questions around this, please do hesitate to contact The School Office or myself.

With my warmest wishes,

Suzanne Cookson  
School Business Manager
